

Our 6th Annual...

'No Secrets'

Angus Female Sale

Saturday, September 23rd, 2017

1:30 pm at the ranch!

REDMOND, OREGON

Welcome to K BAR D

Welcome Friends, Neighbors and Angus Enthusiasts,

As we prepare for our 6th Annual 'No Secrets' Sale, we feel truly fortunate with the many successes we have experienced with our cattle! The industry recognition of our cattle has been very gratifying and also humbling at the same time. We owe that success to the help of many family members, friends, and employees over the years, and we are very grateful for the support they have given us.

Our program has an abundance of focus around the great Wendy KIT cow, and this year is no exception. It seems like however we mated her, she hits a home-run every time!

Our herd is built on Cow family power, such as the Wendy tribe, an industry leader over the past 2 decades. Elaine, Valerie, Middy, Savannah, the prolific Everelda Entense, and now the Blackcap cow tribes are just a sample of the power matrons you'll find stamped throughout this offering.

With his fifth calf crop on the ground this spring, K Bar D Joe Canada 18Y continues to amaze us as well as the rest of the industry. He was the '15 and '16 ROV Jr. and Sr. Champion Get of Sire. We have also included sires such as Plattemere Weigh Up and PVF Insight 0129 to our line up, and they have complimented our genetics very well.

Our 2016 season ended with us sitting in 6th place as the ROV Breeder of the Year. The season culminated at the Western National Angus Futurity in Reno this spring, when Kim was awarded the Herdsman of the Year. We hit the ground running again this summer, claiming the Heifer Calf Champion, Intermediate Champion Female, and Champion Cow/Calf pair at the '17 Oregon State Fair ROV show.

With that said, my mother, Camille and I are pleased to offer our finest genetics for your evaluation, and we look forward to sharing our successes with a goal that all purchasers at the 2017 'No Secrets' Sale will be equally successful as we have been. Once again, my partner in crime, Camille is preparing the food for Friday night and Saturday lunch. Please join us Saturday, September 23rd, for great ideas, great fun, and great Angus cattle... oh yeah, and don't miss our little gathering Friday night... see you there!

Best Regards,

Kimeric, Camille and Agnes DeLashmutt

- No cow has dominated our program like Wendy K1T, and if anything is going to come close, it will be one of her daughters or grand daughters.
- Wendy K15D is a real sow... super deep ribbed and powerfully built, she ranks in the top 5% of the breed for \$B!
- She is AI bred on 5/19/17 to PVF Insight 0129, the popular sire at Genex that is known for his calving ease combined with growth, eye appeal and top values for \$W and \$B.
- Selling 1/2 interest with the option to double up and own 100%.

The sire, Plattmere Weigh Up K360...

The AI sire, PVF Insight 0129...

- Wendy 20D is the full ET littermate to Lot 1, Wendy 15D. This pair of heifers have been our best replacement heifers right from the get go and it is difficult to let either one go, but we have always offered our best in this event, and here is no exception... you can only pick one though!
- We unfortunately lost Wendy KIT a few years ago, and these were some of the last embryos we had in the tank out of her. Her ability to produce our top calves every year is unmatched and most likely never will be.
- Their sire, Plattmere Weigh Up K360, is the powerful AI sire at Select Sires, ranking in the top 1-3% of the breed for WW, YW, ADG, CW, RE, \$W, \$F and \$B!
- She is AI bred on 5/18/17 to PVF Insight 0129, the '16-'17 ROV Angus Show Sire of the year.

The dam, Wendy 1010...

Wendy 1010, pictured with Wendy 19B by Joe Canada, was undefeated in the cow/calf class in 2014!

Wendy 1010 and Joe Dirt 20C were named the Champion Cow/Calf pair at the '15 Oregon State Fair!

- We feel this could be the best heifer we have ever raised at K Bar D, and it was nice to see our feelings reassured at the '17 Oregon State Fair, where Wendy K151E was named the Heifer Calf Champion and she had many fans back at the stalls too!
- Wendy 1010 is the model cow that we are attempting to reproduce every day. Unreal in her shape, style and structure, she has been named Cow/Calf Champion at back to back Oregon State Fairs in 2014 and 2015, and was 3rd in the '15 ROV Dam of the Year race.
- Very few ROV Show Sires of the Year have the genetic profile that PVF Insight 0129 possesses! These are our first calves by him and he is definitely a breed impact sire!
- Selling 1/2 interest with the option to double up and own 100%.

- Here is a real treat from the K Bar D program! Wendy 149E and Wendy 122E are a pair of ET littermates that are as good as they come! Kim is only going to let the buyer have one, but with this kind of quality, there is no wrong choice!
- Their dam, Wendy K19B, is our best Joe Canada daughter and she is out of our most powerful donor dam, Wendy 1010. She was a sale highlight in the '14 No Secrets Sale, where she sold to Bill Hargrafen in IA for \$10,000.
- With progeny like this, Insight is sure to be a household name in the Angus business for many to come!
- Selling 1/2 interest with the option to double up and own 100%.
